1. State Agency Division of Forestry, Fire and State Lands 1594 West North Temple Box 145703 Salt Lake City, Utah 84114-5703	2. Approximate date project will start: Late spring 2010
---	--

3. Title of proposed action: East Jordan Irrigation Company Outfall into the Jordan River.
Easement 400 00227

East Jordan Irrigation Company would like to redesign the outfall structure to include rip-rap rock for stream bank stabilization. Currently, there is an old existing outfall on site, which will be replaced as the Jordan River has eroded the bank from around the old outfall pipe. This project is being done as part of the construction of the UTA Front Runner South besides the Union Pacific rail line.

4. Description of Project: The Division is processing an easement application for access to Sovereign Lands in Salt Lake County along the Jordan River.

The Division is seeking special stipulations or conditions for the proposed action that may help protect existing resources.

5. Location and detailed map of land affected (site location map required, electronic GIS map preferred)
(include UTM coordinates where possible) **(indicate county)**

Township 4 South, Range 1 West, SLB&M

Section 15 within the bank of the Jordan River. Project will likely be relocated to the east from the described legal description, which would put it on the east bank of the river, not in the center.

Salt Lake County

UTM E 420928, N 4480077, Zone 12.
